

TARTU INTERNATIONAL KINDERGARTEN

List of things to provide for every child:

- inside shoes (easy to put on)
- pillow, blanket, bed sheet (should be without rubber band) a t-shirt/pyjamas for sleeping/quiet hour
- morning snack (if arriving before 9, voluntary)
- extra clothes (socks, underwear, shirt, trousers)
- a comb or a brush
- clothes appropriate for the weather (a set of outside clothes – rubber boots, rain coat, waterproof trousers – winter boots, winter jacket, hat, gloves/mittens, scarf, winter suit)
- appropriate clothes for sport lessons/trainers for outside

Choose clothing for your kindergartener that is “easy on, easy off”. Choose pants with elastic waistbands, not zippers and snaps, or overalls, for example, and no belts. Boots must be large enough so the child can put them on independently.

If your child needs also:

- nappies
- wet wipes
- plastic bed sheet (if your child has just stopped using the nappies)

- a small toy your child can bring to bed (in case they need it)
- pacifier during nap time

Please label or mark your child's items (especially clothing and shoes), so when they go wandering off, they will find their right place! :)
